

CBX

COLLECTION 2020

XPERIENCE THE WORLD DIFFERENTLY

CBX is a high-tech brand for
the tiniest world explorers.
Our motto: why stay inside when
there's a whole world outside
for a baby to discover?

That's why our strollers, chairs,
car seats and carriers are
responsibly designed to bump
comfortably into life and, damn,
still look good. And even though
we're a world player with a
mass market capacity, we stay
true to our colorful heart,
competitive price ambition and
top-notch quality. Our blend of
smart design, safety and pure
adventure has made CBX a
success in kids' stores all over
the world and a reference for
mini-rebels, daredevil juniors
and cosmonauts-to-be. Because
just around the block or up to
the beach and the dock, every
trip is a true adventure.

At least, it should be!

WELCOME TO THE **WORLD OF CBX**

Introducing CBX, where functional design is equipped with smart features for a modern line of essential baby gear. Safety, convenience and comfort are at the core of every product.

From car seats and strollers to buggies, carriers and furniture, CBX offers solutions that suit your life and fit your budget.

BUGGIES & STROLLERS

The choice is yours: select a feature-loaded buggy or a travel system with an infant car seat. CBX buggies offer spacious comfort for parents and baby from day one. All CBX buggies come with rain covers.

Count on convenience and flexibility with a CBX stroller. Loaded with smart features, they ensure a smooth and comfy ride for parents and little ones on the go. All CBX strollers come with rain covers and car seat adapters.

Yoki

LIGHTWEIGHT BUGGY: FROM BIRTH - 15 KG (APPROX. 4 YEARS)

Extreme convenience in a modern design. This buggy folds into a small package for car travel or storage with just one hand. The cozy backrest offers a stepless recline including a full lie-flat position. If the road gets bumpy, lock the front swivel wheels for a smoother ride.

ONE-HAND FOLDING SYSTEM

Quick and convenient, the Yoki buggy can be folded with just one-hand for freestanding storage.

LIGHTWEIGHT

With a weight of only 4.1 kg, the Yoki is easy to lift and carry.

INFINITE RECLINE POSITIONS

Stepless adjustment of the seat unit's backrest offers nearly endless seat angles, all the way down to full recline.

FRONT WHEELS SWIVEL OR FIXED

Lock the front swivel wheels on bumpy surfaces for easier handling.

INFORMATION: measurements in mm: L 765 x W 495 x H 950;

Woya

BUGGY: FROM BIRTH - 15 KG (APPROX. 4 YEARS)

The Shima infant car seat clicks onto the frame of the Woya buggy for a convenient travel system that takes you from the car to the city. Key features for parents and child, like the cozy, infinite reclining seat, the one-hand fold, and the spacious shopping basket offer comfort and convenience from day one.

ONE-HAND, QUICK-LIFT FOLDING SYSTEM

Quick and convenient, the Woya buggy can be folded with just one-hand for freestanding storage.

SUN CANOPY

Equipped with a visor and window, the canopy shelters your baby from sun, wind and too much stimulation.

INFINITE RECLINE POSITIONS

Stepless adjustment of the seat unit's backrest offers nearly endless seat angles, all the way down to full recline.

SHOPPING BASKET

Pack it all. Store toys and groceries in the spacious basket.

REMOVABLE SNACK TRAY

Includes a snack tray with cup holder. Easy to remove with just one click.

ETU & ETU PLUS TRAVEL SYSTEM

Etu / Etu Plus

Recline function in the lie-flat position

Travel system ready with Shima

TRAVEL SYSTEM WITH SHIMA
Shima group 0+ infant car seat

The one-hand compact fold mechanism makes the stroller convenient and easy to use. Combined with Shima you have the perfect, cosy travel system for easy rides with your baby. The very compact fold of the Etu and Etu Plus enables you to take it wherever you go – it's even suitable as cabin luggage on planes. But that's not all – Shima clicks onto the frame of the Etu and Etu Plus for a convenient travel

system that takes your little one from the car into the city. All you need is to take your buggy Etu or Etu Plus, set up the backrest recline to the lie-flat position, take the car seat Shima or Aton CBX and using the adapters (available separately) click the car seat onto the buggy and you will have your travel system ready for a walk. Compatible with branded car seats group 0+, adapters available separately.

Kody

Onida Flex

STROLLER WITH 2-IN-1 SEAT: FROM BIRTH - 15 KG (APPROX. 4 YEARS)

A spacious, reclining seat unit with a minimalistic frame offers comfortable rides for your little one wherever you go. Turn the seat unit into a prambody or attach the Shima infant car seat to take newborns and small babies from the car into the city. For older babies, the reclining backrest offers comfortable sitting and reclining positions while the lockable front swivel wheels ensure a smooth ride for everyone. One seat, two ways to use it: turn the seat into a prambody or keep it as a seat unit.

MINIMALISTIC FRAME

The frame of the Onida stands out in a modern, minimalist design with essential features for parents and baby. Lockable front swivel wheels ensure agile turns or a steady ride.

2-IN-1 REVERSIBLE SEAT UNIT / PRAMBODY

Turn the seat into a prambody or keep it as a seat unit with a boot cover and a removable bumper bar. As a seat unit, it is reversible to be parent or forward-facing.

2 RECLINE POSITIONS

From sitting upright to reclining for naps, the two positions of the backrest are quick and easy to adjust.

SPACIOUS SHOPPING BASKET

Ready for a day out. Bring baby's toys, your necessities and still have room for some groceries in the spacious basket.

INFORMATION: measurements in mm: L 800 x W 580 x H 1100; folded dimensions: L 540 x W 580 x H 990; weight of frame: 6.5 kg; weight of seat unit 4.4 kg; total weight: 10.9 kg

Xelo

CAR SEAT GROUP 1 - 2 - 3: FROM 9 - 36 KG, UN R44/04

Xelo has a clean design, is extremely lightweight and is equipped with key-features like L.S.P., latch connections and an adjustable headrest. The car seat is a group 1 - 2 - 3 car seat for children from 9 - 36 kg, from approx. 9 months up to 12 years, that attaches to the car chassis with latches for extra safety and stability. Reaching 15 kg, you can take out the impact shield and you can use it as a Yari car seat group 2 - 3.

LATCH-CONNECT-SYSTEM

This car seat is equipped with our latch-connect-system for an easy installation as well as extra stability and safety.

LINEAR SIDE-IMPACT PROTECTION (L.S.P. SYSTEM)

The L.S.P. absorbs the impact forces early on, effectively protecting the head and upper body in a side-impact collision.

12-POSITION HEIGHT-ADJUSTABLE HEADREST

The adjustable headrest offers 12 positions for customized adjustment as your child grows.

IMPACT SHIELD FOR CHILDREN 9 - 18 KG

Reduces the risk of serious neck injuries without confining the child. Converts into a Yari group 2 - 3 car seat without impact shield when the child reaches 15 kg.

EXTREMELY LIGHTWEIGHT

Allows an easy change between vehicles and puts less strain on your back.

ADJUSTABLE BACKREST

Perfectly adjusts to the vehicle seat for improved safety.

Aura

CAR SEAT GROUP 1 - 2 - 3: FROM 9 - 36 KG

The Aura car seat is a group 1/2/3 car seat for children from 9 months to approx. 12 years (9-36 kg). As a Group 1 seat, the Aura features an impact shield.

For children from 15 kg (approx. 3 years and above) the seat can be easily converted into a Solution 2. The impact shield reduces the force of impact by distributing it evenly over energy-absorbing materials. The double-walled side-impact protection brings additional safety in the event of an accident.

DOUBLE-WALLED SIDE-IMPACT PROTECTION

The double-walled design offers advanced protection in the event of a side-impact collision.

7-POSITION HEIGHT-ADJUSTABLE HEADREST

The adjustable headrest offers 7 positions for customized adjustment as your child grows.

ADJUSTABLE IMPACT SHIELD FOR CHILDREN 9 - 18 KG

Reduces the risk of serious neck injuries without confining the child.

LIGHTWEIGHT

Allows an easy change between vehicles and puts less strain in your back.

ADJUSTABLE BACKREST

Perfectly adjusts to the vehicle seat for improved safety.

INFORMATION: measurements in mm: L 440 x W 490 x H 650; weight: 6.8 kg

Yari

CAR SEAT GROUP 2 - 3: FROM 15 - 36 KG, UN R44/04

Yari is minimalistic, extremely lightweight and equipped with key-features like L.S.P., latch connections and an adjustable headrest. The car seat is a group 2 - 3 car seat for children from 15 - 36 kg, from approx. 3 up to 12 years, that attaches to the car chassis with latches for extra safety and stability.

LATCH-CONNECT-SYSTEM

This car seat is equipped with our latch-connect-system for an easy installation as well as extra stability and safety.

LINEAR SIDE-IMPACT PROTECTION (L.S.P. SYSTEM)

The L.S.P. absorbs the impact forces early on, effectively protecting the head and upper body in a side-impact collision.

12-POSITION HEIGHT-ADJUSTABLE HEADREST

The adjustable headrest offers 12 positions for customized adjustment as your child grows.

EXTREMELY LIGHTWEIGHT

Allows an easy change between vehicles and puts less strain in your back.

ADJUSTABLE BACKREST

Perfectly adjusts to the vehicle seat for improved safety.

Luyu

HIGHCHAIR DESIGNED IN GERMANY: 6 MONTHS - 15 KG (APPROX. 3 YEARS)

Dinner time was never easier. Your child will sit comfortably and safely at the table, thanks to the washable seat cushion, a comfortable footrest, and the adjustable five-point harness. When your little one is done, the Luyu's second tray makes clean up quick and easy.

MINIMALISTIC DESIGN

Clean lines and smooth, rounded surfaces together with a matching, patterned seat cushion make the Luyu a perfect choice for the modern home.

FOOTREST

The built-in footrest offers a comfortable sitting position.

SECOND TRAY

A second tray makes the cleanup convenient and quick.

5-POINT HARNESS

Keep your little one safely seated in the highchair.

EASY ASSEMBLY

No screws needed - easy assembly in a couple of minutes.

SLEEPING TOGETHER CRIB: FROM BIRTH

Stay close to your little one with this height-adjustable crib. This function allows you to fit the height of your bed with one side lowered down. Use it as a separate crib by raising the side as baby gets older. Equipped with a breathable mattress and bottom panel for optimized air circulation. Take it with you on your travels, the crib folds up for storage at home or in the car.

BREATHABLE MATTRESS AND BOTTOM

The breathable construction with mesh on both sides together with the breathable mattress and bottom ensure an optimized air circulation.

FOLDABLE

Easy folding mechanism for storage only in a few seconds.

TRANSPORT BAG

Allows easy transportation.

SLEEPING TOGETHER FUNCTION

Keep baby within reach with this height-adjustable crib.

11-POSITION HEIGHT-ADJUSTABLE

Adjust the crib to a convenient height. For babies suffering from colic or a cold, you can adjust the angle of the mattress to raise the head.

MESH ON BOTH SIDES

For perfect air circulation and easy see through to your baby.
